To Our Readers:

We are the '49 ers. True, we haven't trekked across the nation in search of gold. Our manner of dress is as different from that of the first '49 ers as the Norfolk & Western's *Powhatan Arrow* is from the early prairie schooners. But we too, will complete a journey in '49. Ours has taken us eleven years, and we are nearing its completion—that day when we shall receive our high school diplomas.

This book which you are about to read is our memory book of the scenes along the way. The pioneers of 1849 could not have amassed as many pictures as we have here and we are grateful that modern photography has made it possible for us to record the faces of so many of our friends. As in any memory book, we have made notations and comments.

The members of the Staff join with me in saying, "We hope you'll like it."

A SHORT HISTORY OF THE '49 ERS

by BOBBY REDFORD

As Freshmen in '45, we started upward with deep interest, to our pinnacle of hope, "Seniorship." Everything was new and confusing to us. For weeks we scurried around like rabbits, always going to the wrong place at the wrong time. The first of the year, we were so quiet and shy that the rest of the school hardly knew we were alive, but after a few months we learned our way around and became adjusted to our new environment.

The second lap of our four-year stretch, our Sophomore year, was even harder. There we began to learn foreign languages and encounter numerous tests, long home work assignments, and began to realize the seriousness of those "mental-breaking" exams encountered twice a year.

Our third year proved to be more difficult still. Here, we started to use our own judgment about our work and play. We had lost a few friends along the way, but had gained some from the class before. In this year most of us were taken into clubs and began taking parts in sports and other school activities. Our Junior Play, "He Couldn't Marry Five" will long be remembered by the '49 ers.

We sold magazines so that we could give the Seniors their annual Junior-Senior Banquet and Dance. The day of the big dance, we started early to decorate the Center, and by evening had transformed it into a lovely garden setting. A delicious banquet was served by the ladies of Southside Grange. The dance which followed was equally enjoyable. We had worked hard, but it was worth the effort, for such events help bring the Junior and Senior classes closer together and make for lasting friendship and cooperation between them.

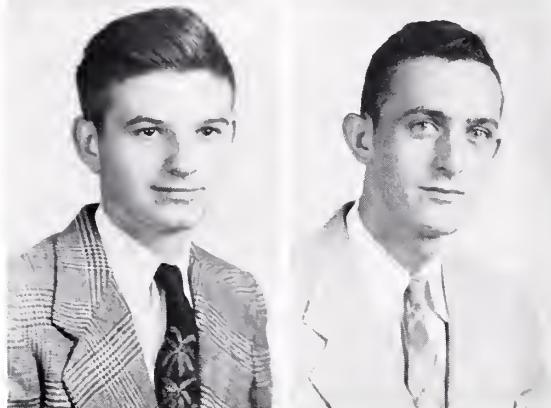

Following "Junior-Senior," we turned our attention once more to those dreaded examinations. A few failures lessened our ranks, but September, 1948, found us entering upon our last year in C. H. S. We are sorry that as this, our Annual, goes to press, it is too early in the school year to record the concluding events of our class. We can only say that we are all looking forward to the next few months which will bring to a close our sojourn in C. H. S.

WE ARE THE '49 ERS

It was '38 when we entered Crewe,
From little acorns to big trees grew
From near and far to school we came
To seek our fortune and perhaps our fame.

What we've learned we will never forget
For in our hearts and minds the knowledge is set,
For the things we've learned have guided our aim
To be released for our worldly gain.

It is to us, the world will turn
As in our minds, the great wheels churn,
To better ourselves, our children and our fellow man
In all the strife, and turmoil of the land.

Thanks to our faculty, family and friends
Who have helped us to start our life long trends
Their patience, devotion, and kindly hand
Have paved our way toward a better land.

We are the '49 ers.

JUNIOR CLASS HISTORY

In September, 1939, we the class of 1950, entered Crewe Public School with a very large enrollment. Our seven years in grammar school were happy ones but uneventful until we reached the seventh grade. It was then through the efforts of Mrs. Hubbard and Mrs. Robertson that we were given the opportunity to take a trip to Washington, D. C.

Then it was June and we were presented our diplomas from the grammar grades into high school. We were very excited over the thoughts of being in high school—something we had all looked forward to and worked for since we entered grammar school.

While we were Freshmen we had as our sponsors, Mrs. Hodnett and Miss Winn. This was the first time we had been organized as a class and had an election of officers. This was the year that the first annual in Crewe High School went to press and the first year that a May Day was presented by high school students. It was also during our Freshmen year in high school that a band was organized. By this time we had advanced quite a way but had only 41 left with us.

It seemed a long time but finally we became Sophomores with an enrollment of 37. Mrs. DuPriest and Mrs. Hagberg were our Sponsors and again we had an election of officers. There were quite a few changes in the faculty that year, and again we had to get used to new teachers.

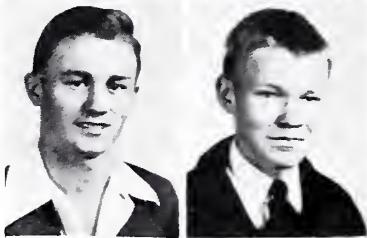

Now we have reached our Junior year of high school with only 29 left in the class. This year most of the juniors had the privilege of taking a trip to Williamsburg with the History III Class. Our magazine campaign which was launched for the purpose of raising money for the Junior-Senior banquet and dance was a big success and with the kind of help of Mrs. Hutcherson and Mr. Pollard, the Junior sponsors, we were able to make a grand success of our Junior Play, "Kay Beats the Band," which was presented in December.

As this article goes to press, we are eagerly anticipating the Junior-Senior Banquet which will be the next eventful happening in our high school career.

The Pep Club which was organized in 1936 is composed of girls chosen from the Sophomore, Junior, and Senior classes. The club colors of *red and white* are worn by its members every Friday. Meetings are held each month in the home of a member.

Each fall new members are entertained at a tea. If they accept the invitation to join the club, they must undergo a few days of initiation.

The main purposes of the club are the sponsorship of the varsity football team and the furthering of better social relationship between high school girls. Each year the club entertains the team at a formal banquet and awards gold footballs to the Senior lettermen.

The Crewe Beta Club is a branch of the National Beta Club. Mr. Harwood and members of the Junior and Senior classes of 1945 organized the Beta Club in Crewe High School.

Each year new members are chosen from the Junior Class, according to mentality, character, and achievement. The pupil must have an average of 90 and try to keep this up. This year five new members were chosen and taken in the Beta Club. We now have seventeen members in the Club.

This year we decided to set aside Wednesday of each week to wear our Club colors, gold and black.

The Glee Club of Crewe High School has been very active ever since it was organized in 1944. Last spring, when they attended the spring Festival they were very pleased to be rated as a second class group.

This year under the direction of Miss Dorothy Branson, they presented a Christmas Concert in which was given an impressive rendition of "Twas the Night Before Christmas". In the spring, Miss Branson plans for the club to again enter the festival and also give a concert at home.

Our Glee Club has become a very helpful and enjoyable extra-curricular activity.

Dear Readers,

As we promised you in our Foreword, we have a wealth of pictures in our memory book. On the following pages, mingled with the greetings and salutations of our advertisers, you will find pictures of most of the students in C. H. S. It would be impossible for us to identify each and every snapshot, but we feel that those on pages 51, 52, 54, and 56, which show the '49ers in the "early thirties" may need explanation.

Reading from left to right, and in rows as far as possible, the pictures are:

Page 51: "Mac," Billy Prince, Bobby Redford (in high chair), Carson Payne, "Spooky" and his drum, Millard (in the tub) and Geraldine S. saying, "Come get me."

Page 52: Courtney and the lily plant, Olive Knotts, "Boots" Oliver, Audrey C. (by the pump), Dick Allen, "Boo" Carter looking half-frozen, Mary Ann Carter (also in the snow) and Irving A. propped up in a chair.

Page 54: Ernie V., "Sonny" (in overalls) and his dog, Freddie R., Ann Wiggins squinting in the sun, Ann Carlton on the lawn, Jackie M., Cornelia in a sun-suit, Gilbert B. taking a sunbath, and Janette in the "salad patch."

Page 56: Natalie F., Edna, Anna Jean, George R., Georgia V., Wayne C., Lucy (in her bare feet), Barbara W. and Elizabeth Roop.
